The European Compliance Assessment has conducted with successful results the review of the manufacturer's technical documentation of the certified product according to above mentioned Directive and Harmonized European Standards EN 149, EN ISO 15223-1:2016 & EN 14683:2019.

The product description, documents, assessment procedures and evaluations of the examination are presented in the Technical Construction File (TCF) retained at manufacturer's place.

This Certificate is issued under the following conditions:

1. It applies only to the above referenced set of Products.
2. The manufacturer is obligated to assure that all the products confirm to the type assessed by the mean of this certificate.
3. Any significant changes in the design or process used to manufacture the product / equipment, or revision to the directive/s or standard/s referred above may render this certificate invalid.
4. The Certificate validity is conditioned by the positive results of the surveillance audits.
5. After fulfilling the relevant EU legislation requirements, the manufacture shall affix to each product of the above referenced models, CE- marking (Compliance evident) according to the following example:

This Certificate of compliance is for the exclusive use of ECA's client and is provided pursuant to the agreement between ECA and its Client. ECA's responsibility and liability are limited to the terms and conditions of the agreement. ECA assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate of compliance. Only the Client is authorized to permit copying or distribution of this Certificate of compliance. Any use of the ECA name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by ECA. The product liability rests with the manufacturer or his representative in accordance with council directive.
